

Memberships ; Meeting of Committee 25.10.05

A class is head of family, B is spouse, and C are children.

In dissolution of partnership/marriage both can be A class if club meeting votes in favour of this.

Children maturing (18 years) have until 21 to pay 3 times the fee for annual membership to stay member, or has to join as for a new member.

Memberships available. The club needs memberships to stay vital and financial.

Presently 6 families make the predominant use of the lodge. Based on 10 week season and weekly use by each – therefore plan 4 more families, and review this yearly.

The committee decides to have 10 active families as the aim. **Thus 4 new families can be accepted, if voted in by the club for the 2006 season.**

Entrance fee \$8,000 (reviewed annually). Annual fee then payable on July 1 and bookings for cabin use are open for new member from May 1. This entitles access to one A class, one B (spouse), and children.

Entitlements of membership; and equal use of facilities under booking structure at present, an equal say in decision making, voting rights, and equal share of any proceeds should the club be developed or sold. Entitlements for family members as for any family.

Nominations. Satisfactory nomination requires someone to propose, and someone else to second the nomination, outside of the family that nominates; i.e. there needs to be three A class members in favour for a proposal to be put to a club meeting for ratification. The nomination therefore needs the signature of the nominator, proposer and seconder to be put to the meeting.

If a member nominates more than one new member, different proposer /seconders should be sought for each nomination.

New proposals are therefore called for, and need to be accompanied by names of nominator, proposer and seconder, to the club secretary in writing by Nov 30 2005 for consideration for the coming ski season of 2006, using the form attached.

At the December meeting the nominating member will verbally give a background / CV to the meeting, prior to the vote.

Accepted applicants will be required to pay the joining fee within 28 days.
